EDUCATION

Bachelor of Technology in Electrical Engineering

| PVPIT, Sangli | 2018 – 2022 | CGPA: 8.5 |

Higher Secondary Certificate (HSC) Examination

| K.M.H College, Sarawade | 2016 – 2018 | Percentage: 77% |

Secondary School Certificate (SSC) Examination

| K.M.H College, Sarawade | 2015 – 2017 | Percentage: 83% |

PROFESSIONAL EXPERIENCE

Associate in Automation and Artificial Intelligence
Netscribes Data & Insights Pvt Ltd, Mumbai
September 2023 – Present
Current Position: Associate Engineer
Role & Responsibilities: Responsible to Developing application excellence through innovative engineering solutions.
Skills: Frontend Programing, UI Design, Problem Solving.
Tools: ReactJS, NextJS, Antd, Tailwind, ReactChart, ReactNative, Gitlab, GitHub.

PROJECTS

NS Workflow
Developed a robust data management and visualization platform that supports various formats, including text, Excel, images, audio, PDFs, and videos. The platform features a user-friendly interface for annotating and organizing data efficiently and provides interactive charts, graphs, and dashboards for visualizing complex datasets and identifying trends. (Collaborated with FRM clients to implement automation solutions.)

ONDC (Catalogue Scoring)
Implemented a scoring mechanism to assess catalogue completeness and accuracy. Conducted thorough checks on catalogue data to ensure compliance with specific parameters.

NSTool
Created a web application that allows users to input a website URL to fetch and extract data. Users can then optimize the data as per their requirements and generate a comprehensive report from the processed information.

PERSONAL PROJECTS

Web Applications

- **Employee Payroll Application, Fundoo Application, Address Book**

Electrical

- **Electrical Vehicle Smart Charge**r

SOFT SKILLS

- Problem-Solving, Team Collaboration, Project Management, Communication Skills

---

EXTRACURRICULAR ACTIVITIES

- Vice-President, Dr. A. P. J. Abdul Kalam Foundation, Budhagaon (2 terms)
- Event Arrangement Committee Head, National Service Scheme

ACHIEVEMENTS

- **Patent on Farming Cycle**
  Developed a patent for a farming cycle to aid small-scale farmers by reducing repetitive tasks.
- **KPIT Top 100 Projects**
  Selected in the Top 100 projects for changing systems based on automation.

LANGUAGES

- **English**: Professional Working Proficiency
- **Marathi**: Native Proficiency
- **Hindi**: Professional Working Proficiency
